

**WCSS 2010 DIRECTIONS**-Follow the WCSS signs from the various Concordia entrances to the camp

Most of our summer sessions register on the ground level of the Heidelberg dorms. That entrance will be clearly marked. The player rooms are on the second and third level of Heidelberg and elevator access is available.

If traveling north on I-43 take the Mequon Rd. exit to the right (east) and proceed to Lake Shore Drive. Turn left and continue straight until you get to Concordia. You will go around one left curve before coming to a marked entrance.

If traveling south on I-43, take Cty C to the right. Then at the top of the ramp turn left (even though the sign says that Concordia is to the right) and go over I-43 about one quarter mile to Lake Shore Drive. Turn right on Lake Shore Dr. and then right again at the next intersection (Bonniwell). Follow the road around one left curve and then straight to the campus. Turn left into the first campus entrance and then follow the signs to the Heidelberg dorm registration area.

# WCSS BASKETBALL CAMPS

Dear Parents or Guardians,

Entering our [27th year](#), we will continue to make every effort to ensure a safe, quality-learning environment for your child . The dorms are locked and supervised at all times at night. Coaches are usually housed in a separate wing (or dorm), and counselors are spaced throughout the dorm.

We encourage you to attend sessions whenever possible, but ask that you leave the dorm area by 10:15pm. We do not allow student visitors (male or female) into the dorm area after the evening sessions unless special arrangements have been made through the camp director.

If your child does not abide by the rules as stated here, we reserve the right to call you at any hour, and inform you of the situation. If the situation warrants, your child may be sent home with no refund at the director's discretion. Our number one priority is making this a safe, terrific, positive learning experience for the young athletes who have chosen WCSS.

We hope that your student athlete will find this year's WCSS camp to be an enlightening and worthwhile experience. We welcome your comments! We always love to hear from satisfied customers, but we also need your suggestions for our improvement. Your feedback is crucial to the success of our basketball camps, which have continued to grow each year since 1984. Please do not hesitate to contact me with questions or comments regarding our camps. Thank you again for choosing WCSS Basketball Camp.

Sincerely,

[wcss-basketball.com](http://wcss-basketball.com)
